

SMART STEWARDSHIP

Texting Your Offering

1. Open the texting feature on your smart phone.

2. In the "to" field type 253-246-1969.

3. In the "message" field, type the amount of your gift in the following format: 10 (or whatever amount you decide) Hit the "send" button, and you will see the amount appear as if you had just sent a text message to a friend.

4. The first time you give, you will be asked for payment information. You will also be asked if this is a one-time or recurring gift. Click on the link to proceed.

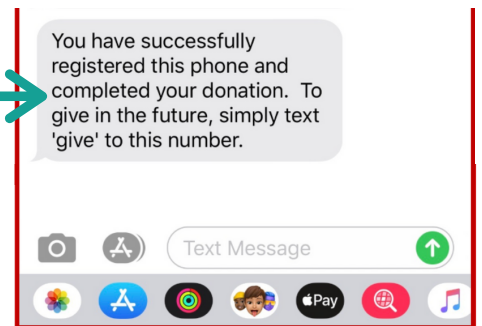

It looks like you are a new giver; to begin: <http://brze.in/801aa2>

5. When the information is entered correctly, push the "give" button.

6. You will receive confirmation and thanks on your phone, and you should also receive an email from the financial secretary.

You have successfully registered this phone and completed your donation. To give in the future, simply text 'give' to this number.

That's it! There are other ways to use this feature. If you are interested, you can see a summary of other commands below.

TEXTING COMMAND DESCRIPTIONS

\$50 - sends \$50 (or the amount of your choice) to church. The "\$" is optional

\$50 weekly - sends \$50 to church and every week until you stop it

Refund - reverses the previous transaction if initiated within 24 hours

Unlink - unlinks your phone from the system

Update - generates a link for users to update information

Commands - generates a list of commands that can be used

"This is how one should regard us, as servants of Christ and stewards of the mysteries of God.

Moreover, it is required of stewards that they be found faithful."

I Corinthians 4:1-2
(ESV)
